A New Vision for AFP

Acton Food Pantry (AFP) has served our community for 40 years. Due to unprecedented demand we have outgrown our current location. We are renovating a larger space at 21 Maple Street with a redesigned market concept to support those in need with dignity and respect.

The new pantry will offer:

- A market-style pantry
- A larger, re-envisioned space
- Greater accessibility and extended hours
- A variety of culturally appropriate foods
- Increased storage and capacity to rescue food
